Details

Note: This product can only ship to a medical or an educational facility.

The Urisys 1100 urine analyzer makes testing fast and automatic. With the push of a button, it evaluates the test strip and prints a patient report. Compared to visual testing, this can help make your lab operations more efficient and give busy staff more time for other things.

Features and Benefits

- Eliminates visual inspection and waiting for results; ensures consistent, accurate results.
- Can use Chemstrip® 10 MD, Chemstrip 7 or Chemstrip 5 OB test strips.
- Can optionally be used to download results to a computer, including device, operator and patient IDs, further eliminating manual data entry and its associated errors.
- Includes an optional operator lockout function, to help facilitate compliance with a facility's regulations, and to deter theft.
- Alert user to issues that could affect accuracy of results.
- High output device takes 70 seconds/test, and can process 50 tests/hour
- LCD display for high quality visuals, and operates automatically

Materials Included

- Urisys 1100® Urine Analyzer
- AC Adaptor
- Power Cord
- 1 Paper Roll
- 2 Test Strip Trays (Type C and Type N)
- Program Chip
- Quick Reference Guide
- User Manual

Technical Specifications

- Dimensions: 150 mm x 290 mm x 95 mm

Warranty Information

- 1-Year Warranty

- The XW-100 provides complete blood screening, one of the most frequently used tests in the laboratory. It uses a blood sample to classify and count blood characteristics.
- The XW-100's innovative software includes fail-safe and alert mechanisms.
- Sysmex's XW-100 uses a 15 µL sample of blood to provide a CBC with a three-part differential, offering twelve clinically important parameters which are available in as few as three tests.
- Dimensions : 7.3 X 13.8 Inch
- Sample Type : Venous Whole Blood
- Throughput : 20 Cycles / Hour
- Test Name : CBC with 3-Part Differential
- CLIA Classification : CLIA Waived
- Application : Automated Hematology
- Brand : XW-100
- Test Time : 3 Minute Results
- UNSPSC Code : 41115815
