Dear Contract Representative,

After review of our OHSU employer plan network, Moda Health will be expanding its OHSU PPO network in an effort to offer a wider selection of providers to OHSU employees and dependents who reside in Central Oregon, Eastern Oregon and the North Coast.

We'd like to invite you to participate in the OHSU PPO network **at your current Connexus network contract rates and terms**. The administrative requirements for the OHSU PPO network are the same as for Moda's other Commercial plans, in which you currently participate. This agreement does not modify the contract rates and terms set forth in your current Connexus contract.

Please review the attached OHSU PPO network attestation and sign where indicated. We look forward to receiving your signed agreement, which will be effective within (45) days after Moda has received your signed attestation.

To expedite this process, you may scan and email your signed OHSU PPO network attestation to providerattestation@modahealth.com. If you prefer, you may mail a signed copy to:
