

**Department Mission:**

The Klamath County Fairground's Mission revolves around the entire Klamath Basin. Persons of all ages use the facilities that we offer for all types of community and livestock events at an affordable and economic price. The Fair is a vital resource for personal development along with key focus of education whereby the year-round activities constitute a living classroom for all persons involved. The Klamath County Fair is a driving force for economic activity. The Fairgrounds is one of the largest destination points in the Klamath County area for countless events that bring new dollars to the entire community, contributing to the economy and the Transient Room Tax.

*It should be noted that this Mission Statement is continuing to be reviewed and revised.*

**Mandated Services:**

The Fairgrounds operates under ORS 565-210, which has a Fair Board (appointed by the Board of County Commissioners), who has exclusive management of Fair, Fairgrounds, licenses and distribution of all proceeds, as well as exclusive management of the grounds and all property owned, leased, and devoted to the use of the County Fair.

The Board's main focus is to operate the grounds and buildings to the fullest extent for the education, pleasure, recreation and public benefit.

The Fair Board shall fix sums to be paid (developed standard rates for services).

**Self-Imposed Services:**

The Klamath County Fairgrounds provides economical, clean, useful buildings, grounds, and arenas 365 days a year.

The Fair Board has developed and adopted Policies for:

- Professional Development, Compliance with Environmental Laws, Compliance with ORS 279 public purchasing and Contracting Laws, Animal Welfare Policy, Compliance with the Americans with Disabilities Act, and Travel.

**Department Overview:**

The Klamath County Fairgrounds has long been a destination point of particular importance within the Klamath Basin. The site hosts many of the basin's events offering unique and functional facilities to accommodate a diversity of activities including civic, recreational, entertainment, business, and traditional youth activities. Each year the staff at the Fairgrounds places emphasis on the annual Klamath County Fair. This event is planned as a community celebration providing a showplace for educational activities, healthful competition, recognition of our county youth, and recognition of the rural agricultural history of the Klamath Basin.

It is with pride that The Klamath County Fairgrounds enjoys repeat customers who have been holding events at the Fairgrounds for over 30 years. The staff is continuously marketing the facilities as a way to entice new venues to utilize our facilities, as well as to support Klamath County's tourism industry.

### **Successes and Challenges:**

The fairgrounds was removed from the County General Fund budget in 1978 and as a result, receives no funding from the general fund; however, the Fairgrounds does have a stable source of income through facility rentals and from Transient Room Tax distributions. The Fair Board and Fairgrounds management continue to effectively manage the operational costs of facilitating the grounds and equipment over the last fiscal year.

Administration continues to refine processes and increase the marketing efforts of the rental facilities and the annual county fair. Capacity is becoming an issue in that the current buildings are at capacity. Planning is underway to research ways to increase the facility size within financial constraints. As the staff increases its expertise and experience levels, the fairgrounds stands to improve efficiency and increase rental revenues for the future. Futuristic changes are also constantly being made for the success of the Klamath County Fair, promising to recreate a renewed excitement for the community.

The addition of concerts, both off-season and during Fair, and other local interest events will contribute to the annual fairgrounds budget. As the local economy continues to improve, the Transient Room Tax revenue has, and promises to continue, to increase over the next few years.

The fairgrounds has also been awarded grants from sources such as the Ford Family Foundation, the Benefit for the Basin Organization, and the Oregon Community Foundation. With the addition of more efficient lighting, energy cost savings to the fairgrounds has resulted in a \$20,000 to \$30,000 annual reduction in energy costs and usage. Increased revenue streams from sources such as those above, assist the fairgrounds in implementing much needed maintenance projects for buildings, capital equipment, paving, roofing - items that are necessary for the continued success of the services the Fairgrounds provides. The fairgrounds has added two annual events to increase revenue streams ~ Equipment Auction.

The Fair Board continues to support the staff and maintenance crew in their efforts and is actively engaged in improving the facilities, the County Fair and user experiences.

### **Budget Overview:**

The Klamath County Fairgrounds has three (3) main sources of revenue; the Transient Room Tax (TRT), room rentals and State appropriation for fair. The TRT and The State Fair funds (fair only) have strict guidelines for use.

Continued major expenses for the fairgrounds include maintenance of entire grounds (dirt, gravel, snow removal, paving, aesthetics, plants, trees, lawns, and fencing), repair and/or maintenance of older buildings and equipment (engine repairs and up keep, tires, oil, gas), as well as the purchase

of supplies to support events (panels, sand, gates, tables, chairs, PA systems, stages). Resources are also needed to maintain plumbing and electrical for six buildings and wash stations (inside and outside, freezing weather).

Preparation for the annual Klamath County Fair is also a major expense each year.

Current personnel includes one administrator, two office staff, and five maintenance workers. There is one vacant maintenance worker position that will not be filled during FY 2018. The grounds are open seven days a week, 365 days a year from 7:00 am to 9:00 pm, with many events running into overtime.

### **Key Issues:**

As the fairgrounds buildings and grounds age, the fairgrounds administration faces the continued and growing challenge of maintaining parking lots, facilities and equipment at a level that enables us to meet the needs of our customers.

The fairgrounds is currently working toward a Master Plan which will encompass a multi-year plan to update and/or add to the present facilities at the Klamath County Fairgrounds. At the same time, maintaining more technologically advanced facilities will demand considerable expertise, personnel and commitment.
