Wood and Pellet Stove Installations

When the weather outside is frightful, you might need to fight off the chill with a warm, inviting wood or pellet stove and a nice cup of hot cocoa.

Klamath County Code States:

- A permit is required PRIOR to installation of a wood or pellet stove in the State of Oregon (for both new and existing structures)
- Inspection of the newly installed wood or pellet stove is required
- Only Oregon certified wood or pellet stoves may be installed*
  - All stoves must be installed per manufacturer's specifications (at a minimum)!

*Some exceptions may apply; visit www.klamathcounty.org or call (541) 883-5121 for more information
