I. PROGRAM INTENT

KLAMATH COUNTY'S MISSION AND GRANTS PROGRAM KEY INITIATIVES

The mission of Klamath County is: "Serving our Citizens through Stewardship." Klamath County has established a program to make grant awards "to eligible applicants for projects that contribute to the development and improvement of communities throughout the county by means of the enhancement, expansion and promotion of the visitor industry."

Grant program applicants may apply for grants of up to \$25,000 per project and may apply for no more than two projects in the same cycle (two cycles will be opened during the year). Each project requires its own application. Applications will be accepted and awarded up to twice per year. Applicants must demonstrate at least a 30% cash match for any grant request of \$3,000 or more. Grant applications of less than \$3,000 do not require a cash match.

PROGRAM KEY INITIATIVES

Applicants will need to identify in your application which of Travel Oregon's following key initiatives your project aligns with. (Projects that do not align with at least one of the initiatives below will be ineligible for funding.)

1. Maximize the economic return on public and private investments in Oregon
2. Drive year-round destination-oriented travel from Oregon's key domestic and international markets by aligning and optimizing local opportunities
3. Develop destination-based products that are in concert with Oregon's natural environment, support the stewardship of the state's resources and its rich history
4. Provide strategic industry professional development and training opportunities

INVOLVING YOUR DESTINATION MANAGEMENT ORGANIZATION (DMO/RDMO)

Applicants are strongly encouraged to contact their local Destination Management Organization (DMO, Discover Klamath) and Regional Destination Management Organization (RDMO, Travel Southern Oregon) about the grant project idea and request letters of support to enhance their overall application. For-profit entities are required to show support for their project idea from their local DMO or RDMO.

II. ELIGIBILITY

Eligible applicants include those listed below that are *doing business* in Oregon and can demonstrate direct work in support of improving the economic impacts of Oregon's travel and tourism industry:

- Local government
- Port districts
- Federally recognized Tribes

Partnerships with tourism entities and businesses, economic development and/or government entities are looked upon favorably and strengthen an application.

Preference points are given to projects that are scheduled during the shoulder season (October through May), conducted outside of the Klamath Falls urban growth boundary, and promote family friendliness.

Incomplete proposals, nonattendance at mandatory meetings, failure to meet the submission deadline or other deficiencies may result in an application being rejected without ranking. Mail delivery, website functionality and office accessibility issues are the responsibility of the applicant and will not influence the submission deadline of 5:00 pm on March 31, 2020

Detailed information on required reporting can be found in the Grant Reports section of these guidelines.

KLAMATH COUNTY RECOGNITION

Grant recipient must cease further grant project design work until feedback from Klamath County has been delivered. While a grant recipient is not required to make all recommended changes Klamath County may provide, the grant recipient must adhere to all grant program requirements. Required recognition could be different than what is listed below and will be included in grant recipient's contract or determined while working with grant recipient.

Marketing Project Types

These funds may only be used for costs related to the project and clearly identified in the grant budget. Grant funds will not be released in advance of an expenditure. Expenses incurred prior to the effective date of the signed grant agreement are not eligible for reimbursement. Any grant funds not used as approved in the grant application budget shall not be disbursed by Klamath County pursuant to the grant contract. Projects must be completed within the approved grant timeline (outlined above). Final disbursement of funds including the 20% reserve will be sent once the project is complete and the Grant Accomplishment Report and final budget have been submitted, reviewed and approved by Klamath County.

You may submit reports earlier than required dates if your project timeline allows. Failure to submit reports by their deadline may result in ineligibility for any future grant programs offered by Klamath County.
