**KLAMATH COUNTY ASSESSOR
PRESS RELEASE – FOR IMMEDIATE RELEASE**

In January 2017 Klamath County Assessor's office mailed applications of special assessment of Non-EFU Farmland to property owners whose property had previously been determined to receive a special assessment for farm use. Applications were due back by April 15, 2017 however, due to the lack of response the deadline has been extended to May 15, 2017.

This release is being sent out as a courtesy reminder that if applications are not received and processed by May 15, 2017 the farm use special assessment will be removed from the property, which can have significant financial consequences.

Questions can be directed to County Assessor Staff at 541-883-5111.
