**BOARD OF COUNTY COMMISSIONERS
PRESS RELEASE – FOR IMMEDIATE RELEASE**

The Klamath County Board of Commissioners are very excited to announce they have appointed Nathan Bigby to be the next Klamath County Assessor.

"It has been a real pleasure to work with Nathan for the last few months while we made great strides in creating a thriving work environment. I believe Nathan has the ability to continue and improve upon these restructuring efforts." Said Commissioner DeGroot.

Born and raised in Klamath County, Nathan graduated from Mazama High School and Oregon Institute of Technology with a Communications degree. Nathan has been with the Assessor's Office since 2015, as such brings knowledge and experience to this position. The Commissioners are confident that Nathan along with the great staff in the Assessor's Office will make this transition seamless.

"I'm really excited to lead a great team in the Assessor's office. This is a dedicated group, and our first priority is serving the public interest." says Nathan Bigby.
