**DATE ACTION REQUESTED:** 04/11/2016      **DATE ACTION TAKEN:**

**ISSUE:** Adopt Bylaws for the Budget Committee.

**BACKGROUND & CONCLUSIONS:** The Board of Commissioners adopted a resolution requiring all of its advisory committees to conduct meetings in accordance with public meeting laws and adopt bylaws for their operations.

**FISCAL IMPACT:** None.

**RECOMMENDED MOTION:** Approve the bylaws for the Klamath County Budget Committee.

**DEPARTMENT HEAD APPROVAL:** \_\_\_\_\_

**BUDGET OFFICER APPROVAL:** \_\_\_\_\_

KLAMATH COUNTY  
BUDGET COMMITTEE  
BYLAWS

1. Name.

This advisory committee will be known as the Klamath County Budget Committee (BC).

2. Mission.

The Budget Committee (BC) will assist the Board of Commissioners in fulfilling Klamath County's obligations under Oregon Budget Law. (ORS 294.305 to 294.565)

3. Membership.

The Budget Committee shall be composed of the members of the governing body (Board of Commissioners) and a number, equal to the number of members of the governing body, of the electors of the municipal corporation (appointive members). If there are no electors willing to serve, the governing body shall be the budget committee.

Appointive members of the Budget Committee may not be officers, agents or employees of the municipal corporation. (ORS 294.414)

4. Term Length.

A member of the Board of Commissioners shall serve for their elected term in office. Appointive members of the BC shall be appointed for terms of three (3) years. Terms shall be staggered so that, as near as practicable, one-third of the terms of the appointive members end each year. (ORS 294.414)

5. Termination.

a. Removal by Board of Commissioners. All members serve at the pleasure of the Board of Commissioners. The Board of Commissioners may remove a member on its own motion or upon the recommendation of the Committee.

c. Resignation. Resignations by members shall be submitted in writing to the Committee chair and announced at the next regularly scheduled meeting. The chair shall forward a copy of the resignation to the Board of Commissioners and request a replacement.

d. Reasons for dismissal. The Board of Commissioners may remove a member when it determines that it is in the interest of the Committee or the county to do so.

e. Appointment for vacant positions. The Board of Commissioners shall fill the vacancy by appointment for the unexpired term of the vacating position.

6. Attendance.

All members are expected to attend regularly scheduled meetings. Members shall inform the BC in advance of the meeting the member will not attend.

7. Meetings.

a. The BC will meet in accordance with Oregon Public Meeting laws. Notice will be posted in advance of all meetings, minutes will be posted and available.

b. Meetings are generally held at the Klamath County Government Center, 305 Main Street, Room 219, Klamath Falls, Oregon. Members may attend either in person or electronically by conference call so long as persons in attendance and on the telephone can both hear and communicate with each other.

c. The majority of the membership of the Committee will constitute a quorum for the transaction of all business at meetings.

d. Decision making procedure. Each member will be entitled to one vote on all issues presented at meetings at which the member is present. A majority vote is the primary decision-making method and is necessary to execute a final decision. Majority is defined as a majority of the members.

c. The secretary will cause meeting minutes to be prepared. Minutes will include a description of the members present, motions, proposals, resolutions, and orders proposed and their disposition, the results of all votes and the substance of any discussions on any matter and reference to any document discussed at that meeting. Minutes will be distributed at least five (5) days prior to a regular meeting.

d. Agenda items may be placed on a meeting agenda by any Committee member, or any Klamath County Department Head. The agenda minutes and reports will be distributed to members at least five (5) days prior to a regular meeting.

8. Officers.

a. Members of the committee will elect the chair, vice-chair and secretary on an annual basis.

b. Chair responsibilities. The chair will act as leader of the convened meeting and as the parliamentarian. The chair will enforce Committee directives, guidelines and membership rules and will guide the conduct of public meetings. The chairperson is the official representative of the Committee and shall be the spokesperson to the Board of Commissioners.

c. Vice-chair responsibilities. In the absence of the chair, the vice-chair will assume the chair's responsibilities. If neither the

chair nor vice-chair is available for a publicly convened meeting, then the assembled quorum of the meeting will select a temporary chairperson to conduct the meeting.

d. Secretary responsibilities. Ensuring meetings are effectively organized and minutes are taken. Maintaining effective records and administration.

d. Vacancies or removal of officers. The Board of Commissioners may remove a chair or vice-chair on its own motion or upon the recommendation of the Committee when it determines that it is in the interest of the Committee or the county to do so. If the chair is removed, the vice-chair will assume the chair's position. If the vice-chair is removed, the Committee will elect a replacement.

e. Compensation. Members shall not be compensated. (ORS 294.414)

9. Amendment to Bylaws.

a. The Budget Committee may propose amendments to the bylaws. Any recommendations agreed upon by the majority of the Committee shall be forwarded to the Board of Commissioners for its approval. Bylaws will be submitted to the Board of Commissioners by the Committee chair every three years for review and approval.

b. Initiated by Board of Commissioners. Under certain circumstances, the Board of Commissioners may initiate changes to the bylaws. These changes will be submitted to the Committee for review and consultation prior to the Board of Commissioners' adoption.

c. Distribution. Upon the Board of Commissioners' approval of bylaw amendments, the Board of County Commissioners Office will make any required revisions to the bylaws and distribute them to all members of the Committee.

10. Community Relations/Public Input.

Any member of the public will be welcome to attend Committee meetings. Public comments will be encouraged and will be accepted verbally or in writing. Anyone who wishes to voice an opinion or present information or concerns to the Committee may attend meetings or contact either the chair or the vice-chair and/or staff of the Board of Commissioners. Arrangements will be made and time will be allotted at meetings as appropriate to assure broad public participation.

 Re: General Fund Working Capital Estimates

This memo is intended to provide guidance to the Budget Committee and Board of Commissioners as to an adequate sustainable level of net working capital for Klamath County's General Fund.

Below is a graph (Exhibit 1) of the actual cash flow for the General Fund for the current fiscal year and the past 5 fiscal years.

**Exhibit 1**

Note the consistent pattern for cash flow in the general fund. There is a significant increase in cash in November as property taxes are received and all other months the spend down of cash. As a reminder, November is the month of highest collection of property tax. This one month has a significant

impact on the cash flow of the county. The county operates on this cash for the next year. For the current fiscal year the fund reaches a low point of approximately \$2.1 million in October and then reaches a high point of approximately \$4.1 million in November.

I am going to reference the 2012 year actual late in this memo. The purpose for that is this is the only year in the data set that presents a sustainable budget where cash for the fiscal year is close to zero or positive and there was no impact from the use of Road Funds.

For the base year you need to understand the major federal revenue sources and their timing. In 2012, Payment In Lieu of Taxes (PILT) was received in June for \$0.7 million and O&C Land was received in November for \$1.7 million.

My concern for the General Fund is that the current spend rate is higher than can be supported on an ongoing basis without additional financial resources. Several factors to this spend ratio are that the information above presents the cash flows with the transfers from the Road Fund, PILT and O&C Lands. The graph below (Exhibit 2) removes the receipt of Road Funds (\$2 million in 2013, \$1.7 million in 2014, \$1.7 million in 2015 and \$850 thousand in 2016), PILT (\$0.8 million in 2010, 2011, 2012, 2013, 2014 and 2015) and factors a reduction in O&C down to \$0.4 million (actual receipts were \$1.9 million in 2010, \$1.7 million in 2011, \$1.0 million in 2012, \$0.9 million in 2013, 2014 and 2015), but does not remove operating expenditures. The explanation for the changes are as follows:

1. Road Funds – legislation allowing the use was made permanent. The Board of Commissioners created a task force to make recommendations on the continued use of these funds. The task force recommended multiple options to the Board but overall recommended that the use of these funds not be used in perpetuity. A copy of the task force report was previously submitted electronically to budget committee members.
2. PILT – although federal law requires this to be paid, it does not specify the underlying method to determine the amount, so congress negotiates this amount in its budgetary actions. Making assumptions regarding the receipt of funds that are not budgeted at the federal level is not a prudent management practice.
3. O&C Lands – Funding for this distribution in the short-term past has been based on Secure Rural Schools legislation. US House Representative Greg Walden has indicated that renewal of Secure Rural Schools legislation is not likely to happen. The underlying legislation would base the distribution on a rolling average of actual timber sale revenue. We received the payment based on the actual timber sale revenue in March of 2015 and it was approximately \$0.4 million. I used an average of \$0.4 million for demonstration purposes to allow for consistency in the chart.

**Exhibit 2**

The above chart presents the worst case historical scenario to estimate for the 2017 and 2018 fiscal years, as I feel it is better to be conservative than to try to predict the future regarding federal legislation.

To estimate the amount of net working capital needed to be retained by the General Fund at the end of 2016 (beginning working capital for 2017) I am basing my estimate on the following assumptions (which could be significantly different than actuals):

1. Cash flow for the remainder of the 2016 fiscal year will follow the historical actual trend of Exhibit 2 with a negative spend rate of \$2.0 million for the next four months.
2. The average low point for the last 6 years based on the information in Exhibit 2 has been \$3.5 million.
3. Based on the information in Exhibit 2 the current cash position is at approximately \$0.3 million.

Therefore a net working capital requirement of \$5.2 million ( $\$2.0 \text{ million} + \$3.5 \text{ million} - \$0.3 \text{ million}$ ) would be needed for a sustainable level in the General Fund given the current spending rate.

We know that the current spending rate cannot be sustained as it utilizes \$850 thousand in Road Funds and the receipt of PILT and O&C Lands that are dependent upon federal legislation. Moving the General Fund to a level that is not based on these receipts suggests we go back to evaluate the 2012 year. Looking at that year, a low point of \$3.9 million was presented in the actual with an almost zero change in cash. When we modify that year's cash flow for PILT and O&C Lands as discussed above with the low point still at \$3.9 million but the reduction for PILT and O&C Land adds another \$1.3 million for a total working capital need of \$5.2 million.

Assuming that the Board of Commissioners desires to move to a sustainable level in the General Fund, that does not use Road Funds and is not reliant on PILT and O&C Lands beyond the legislatively required payments that are not subject to authorization each year, **a sustainable level of working capital for the General Fund is approximately \$3.6 million to \$3.9 million.** This is based on the assumption that cash flow will likely mirror the average low point for the past 6 years but would not be greater than the 2012 low.

The Government Finance Officers Association publishes model best practices guidance for governments. In their newly updated best practice on fund balance, they recommend a minimum of two months of regular operating revenues or expenditures. Based on the 2015 fiscal year actuals this would be approximately \$3.0 million. In addition, amounts should be held for perceived exposure to significant one-time outlays (e.g., disasters, state budget cuts, lawsuit settlements, unexpected calls for additional resources in programs partially funded by the general fund).

**I wish to caution the committee this is only an estimate and the perfect net working capital number is a constantly moving target based primarily on staffing levels within the General Fund. As personnel levels increase or decrease this number will change.**

The proposed 2017 budget contemplates reducing net working capital in the General Fund from \$4.6 million to \$2.9 million. This is \$700 thousand to \$1 million less than the minimum estimate provided earlier in this memo. Assuming PILT (\$0.8 million) is received and a certain amount of under expenditure by departments, the net working capital would increase back to the sustainable level target.

**Future payments of PILT and the increment from Secure Rural Schools on O&C Lands could be utilized as the Board of Commissioners desires if legislation is renewed or funding is provided in the federal budget. I would caution against using this funding for personnel costs until the funding amount is secured on a long-term basis by the federal government.**

In the 2017 proposed budget the following revenue items impact the sustainability of the budget: \$1.7 million networking capital reduction, \$0.8 million in Road Fund transfer and \$0.5 million for operating the C-Pod. Combined this represents \$3.0 million. In addition the Sheriff has identified an additional \$0.6 million in revenue that is contingent upon maintaining certain staffing levels. Departments are likely not funded to maintain current staffing levels which will further add to this short fall.

**It is important for the sustainability of services to live within our available resources on a consistent basis and utilize grant funds only where appropriate and effectively communicate with our stakeholders (users, citizens, partner agencies) when services are being provided on a contingency basis. If those services are determined to be needed on a permanent basis, long-term funding arrangements should be obtained that adequately provide for the cost of the service.**
