(6) At the end of each month, COUNTY shall submit to FISH & WILDLIFE an itemized statement for all costs incurred in the treatment of noxious weeds on FISH & WILDLIFE property. In consideration of the fulfillment of all stipulations of this agreement to the satisfaction and acceptance of FISH & WILDLIFE, FISH & WILDLIFE shall pay to COUNTY, the amount due, not to exceed \$2,500.00.

(7) The County shall prepare and furnish to FISH & WILDLIFE evidence that all designated work has been performed. The notice that the Weed Control treatment work has been completed, along with the County's billing for labor and materials, shall be sent to: U. S. DEPARTMENT OF FISH & WILDLIFE, Attn: Dustin Taylor, 4009 Hill Rd, Tulelake, CA 96134.

(8) FISH & WILDLIFE further agrees that should it be necessary for COUNTY to pursue collection procedures for the sums due and owing that FISH & WILDLIFE will pay reasonable attorney fees plus costs and disbursements whether or not suit is instituted to collect the sums, and if suit is instituted, to pay COUNTY'S attorney fees upon trial and appeal.

(9) FISH & WILDLIFE releases and forever discharges COUNTY and its employees from any claims and demands against Klamath County for personal injury or property damage (including livestock damage). FISH & WILDLIFE shall defend, save and hold harmless COUNTY, its officers, agents, employees and members, from all claims, suits, or actions of whatsoever nature resulting from or arising out of the activities or inaction of FISH & WILDLIFE or its subcontractors, agents, or employees or COUNTY under this agreement.

(10) COUNTY makes no express or implied warranties of fitness or merchantability of the herbicides used.

(11) This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto.

(12) This Contract may be terminated by either party by giving written notice to the other party at least thirty (30) days prior to the termination date.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed the date and year first herein written.

Statement of Work

2021 Noxious Weed Control in Klamath County, Oregon Klamath Basin National Wildlife Refuge Complex

1. General

U.S. Fish and Wildlife Service at the Klamath Basin National Wildlife Refuge Complex (Refuge) wishes to enter into a contract with Klamath County Weed Control Division for the purpose of noxious weed control on Bear Valley and Lower Klamath National Wildlife Refuges.

This contract is to control state listed noxious weeds in Bear Valley and Lower Klamath National Wildlife Refuges within Klamath County, Oregon. Klamath County Weed Division will provide personnel and spray equipment. Refuge will provide pesticide use proposals, herbicides and adjuvants for the application of the herbicides.

2. Scope

Work performed will be to spray infestation sites (to be determined) containing noxious weeds on the Bear Valley and Lower Klamath National Wildlife Refuges. Spot spraying will be the primary mode of control, others may be used as the Weed Control Division deems necessary with consultation of the Refuge point of contact. Spraying in non-designated areas may also be performed on an as directed basis. Contractor will provide all spray equipment and staff to complete this job.

The primary target weeds are perennial pepperweed (*Lepidium latifolium*), Canada thistle (*Cirsium arvense*), poison hemlock (*Conium maculatum*) and yellow starthistle (*Centaurea solstitialis*), dalmation toadflax (*Linaria dalmatica*), common mullein (*Verbascum thapsus*), Mediterranean sage (*Salvia aethiopsis*), bull thistle (*Cirsium vulgare*), and Scotch thistle (*Onopordum acanthium*). Other listed weed species may also be treated as opportunities arise.

3. Place/Delivery and Period of Performance

The contract window shall be from May 1, 2020 through September 30, 2020. Actual spray dates will be determined by the Refuge in coordination with the Weed Control Division. Spraying shall take place at Lower Klamath National Wildlife Refuge and Bear Valley National Wildlife Refuge.

4. Evaluation and Acceptance

All work included in the contract specifications shall be subject to inspections by the Refuge at periodic intervals during performance of this contract. Final acceptance shall be based upon satisfactory completion of the work in accordance with the specifications on a task by task basis.

The Weed Control Division must agree to follow all state and federal pesticide regulations. This includes conditions specified in the approved refuge pesticide use proposals.

The Weed Control Division shall report to the Refuge total quantity of herbicides and adjuvants used for this contract.

Each party agrees to be responsible for the acts and conduct of its own agents, officers and employees, and any and all actions, claims, damages, demands, losses, disabilities, defense costs or liability of any kind or nature, including attorney's fees, that may be asserted by any person or entity arising out of or in connection with the performance of this agreement.

5. Government Furnished Equipment/Information

Refuge will provide pesticide use proposals.

6. Material

Refuge shall provide herbicides and adjuvants, as needed.

7. Availability

Normal Refuge duty hours are Monday thru Friday 8:00 a.m. - 4:30 p.m. In the event of emergencies, the Vendor shall provide contact information. FWS non-duty hours include weeknights, weekends and Government holidays.
