To Whom it May Concern:

We write this letter in full support of your application for the Business Oregon Grant. Your proposed environmental assessment at the former Train Mountain Museum Building (Markwardt Bros. Garage) in downtown Chiloquin at N. 1<sup>st</sup> St. and Chocktoot St. is the next step in validating the City of Chiloquin's desire to develop this property as a center for Community events.

We support this proactive plan to improve the lives of Klamath County residents. Don't hesitate to reach out to us with any questions or comments.

Sincerely,
