EXHIBIT A

Scope of Services

In this engagement, we will perform the following services as of and for the years ending June 30, 2018, June 30, 2019, and June 30 2020, with possibility for two additional one-year terms upon mutual agreement of the parties.

1. Audit the financial statements of the County.
2. Report on the Minimum Standards for Audits of Oregon Municipal Corporations prescribed by the Secretary of State.
3. Technical review of the County prepared Comprehensive Annual Financial Report (CAFR) for compliance with generally accepted accounting principles and requirements of the GFOA Certificate of Excellence Program, if applicable.

Amanda McCleary-Moore is responsible for supervising the engagement and authorizing the signing of our reports.

Objectives of the Audit

The objective of our audit is the expression of an opinion about whether your financial statements and supplementary information are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to herein when considered in relation to the financial statements taken as a whole. The objective also includes reporting on internal control related to the financial statements and compliance with applicable laws, regulations, contracts, and grants, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

The report on internal control and compliance will include a statement that the report is intended for the information and use of the audit committee, management, specific legislative or regulatory bodies, federal awarding agencies, and if applicable, pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Our audit will be conducted in accordance with U.S. generally accepted auditing standards; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and other procedures we consider necessary to enable us to express such an opinion and to render the required reports. If our opinion on the financial statements is other than unqualified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement.

Procedures and Limitations

Our procedures may include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of certain receivables and certain other assets, liabilities and transaction details by correspondence with selected customers, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. The supplementary information will be subject to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves. At the conclusion of our audit, we will require certain written representations from management about the financial statements and supplementary information and related matters. Management's failure to provide representations to our satisfaction will preclude us from issuing our report.

CONTRACT FOR PROFESSIONAL SERVICES**

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. Therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. Also, we will plan and perform the audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. Such material misstatements may include errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity that may have a direct financial statement impact. Pursuant to Government Auditing Standards, we will not provide reasonable assurance of detecting abuse.

A risk exists that we may not detect material misstatements or noncompliance because (a) an audit is designed to provide reasonable, rather than absolute, assurance the financial statements are free of material misstatement, (b) we will not perform a detailed examination of all transactions as such is cost prohibitive, and (c) an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations and the provisions of contracts and grant agreements that do not have a direct and material effect on the financial statements. However, we will inform you of any material errors, fraudulent financial reporting or misappropriation of assets, and violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will also inform you of any other conditions or other matters involving internal control, if any, as required by Government Auditing Standards. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any time period for which we are not engaged as auditors.

Our audit will include obtaining an understanding of the County and its environment, including its internal control sufficient to assess the risks of material misstatements of the financial statements whether due to error or fraud and to design the nature, timing, and extent of further audit procedures to be performed. An audit is not designed to provide assurance on internal control or to identify deficiencies in the design or operation of internal control and accordingly, no opinion will be expressed in our report on internal control issued pursuant to Government Auditing Standards. However, if, during the audit, we become aware of any matters involving internal control or its operation that we consider to be significant deficiencies under standards established by the American Institute of Certified Public Accountants, we will communicate them in writing to management and those charged with governance. We will also identify if we consider any significant deficiency, or combination of significant deficiencies, to be a material weakness.

We may assist management in the preparation of the County's financial statements and supplementary information. Regardless of any assistance we may render, all information included in the financial statements and supplementary information remains the representation of management. We may issue a preliminary draft of the financial statements and supplementary information to you for your review. Any preliminary draft financial statements and supplementary information should not be relied upon, reproduced or otherwise distributed without the written consent of Moss Adams.

Your Responsibility for Financial Statements

You are responsible for establishing and maintaining internal control and for compliance with applicable laws, regulations, contracts and grants. In fulfilling this responsibility, the County is required to assess the expected benefits and related costs of the controls. The objectives of internal control are to provide the County with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorizations and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles, and that federal award programs are managed in compliance with applicable laws, regulations, contracts and grants.

You are responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. We may advise you about appropriate accounting principles and their application and will assist in the preparation of your financial statements, but you are responsible for the financial statements. This responsibility includes the establishment and maintenance of adequate records and effective internal control over financial reporting, the selection and application of accounting principles, and the safeguarding of assets.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the County involving: (a) management, (b)

employees who have significant roles in internal control, and (c) others where the fraud could have a material effect on the financial statements. You are responsible for informing us of your knowledge of any allegations of fraud or suspected fraud affecting the County received in communications from employees, former employees, regulators or others. In addition, you are responsible for identifying and ensuring that you comply with applicable laws and regulations and for taking timely and appropriate steps to remedy any fraud, illegal acts, or violations of contracts or grants, that we may report.

You are responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. You are also responsible for identifying and ensuring that the County complies with applicable laws and regulations.

As part of the audit, we may prepare a draft of your financial statements, supplementary schedules, and related notes. In accordance with Government Auditing Standards, you will be required to review, approve and take responsibility for those financial statements prior to their issuance. Further, you are required to designate a qualified management-level individual to be responsible and accountable for overseeing our services.

You agree that as a condition of our engagement you will provide us, in a timely and orderly way, with information in your possession that we request or that has a material impact on the nature or characterization of any material transaction to complete our engagement and that information will be, to the best of your knowledge and belief, truthful and accurate.

Your Responsibility for Supplementary Information

You are responsible for the preparation of the supplementary information in accordance with the applicable criteria. You agree to include the auditor's report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information. You are responsible to present the supplementary information with the audited financial statements or, if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by the entity of the supplementary information and the auditor's report thereon. For purposes of this Agreement, audited financial statements are deemed to be readily available if a third party user can obtain the audited financial statements without any further action by you. For example, financial statements on your Web site may be considered readily available, but being available upon request is not considered readily available.

Dissemination of Financial Statements

Our report on the financial statements should be associated only with the financial statements that were the subject of our engagement. You may make copies of our report, but only if the entire financial statements (including related footnotes and supplemental information, as appropriate) are reproduced and distributed with our report. Our report should not be reproduced and associated with any other financial statements, or portions thereof, that are not the subject of this engagement.

Offering of Securities

We are under no obligation to re-issue our report or provide written permission for the use of our report at a later date in connection with an offering of securities, the issuance of debt instruments or for any other circumstance. The determination of whether or not we will re-issue our report or provide written permission for the use of our report is solely the responsibility of Moss Adams, and will be made only after we have conducted any due diligence we deem necessary in the circumstances. Accordingly, if we decide not to re-issue our report or written permission to the use of our report, it is possible that you may be required to engage another firm to audit periods covered by our audit reports, and those firms will likely bill you for their services. While the successor auditor may request access to our working papers for those periods, we are under no obligation to permit such access.

The services outlined in this Agreement do not contemplate the requirements of Moss Adams or an underwriter or its lawyer in connection with the offering of securities, whether registered or exempt from registration.

**KLAMATH COUNTY EXTENSION SERVICE DISTRICT
CONTRACT FOR PROFESSIONAL SERVICES**

Should we agree to re-issue our report or provide written permission to the use of our report, we require that Moss Adams be included on each distribution of draft offering materials and that we receive a complete set of final documents. We expect adequate time to review documents where our report is requested to be reissued, or referred to, or reference to our firm as "Experts" is expected to be made. We will attempt to respond quickly in order to keep to timetables as required and will not unreasonably withhold our opinion or written permission pending satisfaction of our own due diligence and completion of required subsequent events procedures.

Changes in Professional or Accounting Standards

To the extent that future federal, state, or professional rule-making activities require modification of our audit approach, procedures, scope of work, etc., we will advise you of such changes and the impact on our fee estimate. If we are unable to agree on the additional fees, if any, that may be required to implement any new accounting and auditing standards that are required to be adopted and applied as part of our engagement, we reserve the right to withdraw from the engagement, regardless of the stage of completion.

Representations of Management

During the course of our engagement, we may request information and explanations from management regarding, among other matters, your operations, internal controls, future plans, specific transactions, and accounting systems and procedures. At the conclusion of our engagement, we will require, as a precondition to the issuance of our report, that management reconfirm some or all of the representations made in a written representation letter. While we may assist you in the preparation of this letter, management is responsible and required to carefully review and verify the substance, accuracy and completeness of the representations included in the management representation letter. The procedures that we will perform in our engagement will be heavily influenced by the representations that we receive from management. Accordingly, false representations could cause us to expend unnecessary efforts or could cause a material error or fraud to go undetected by our procedures. In view of the foregoing, you agree that we will not be responsible for any misstatements in your financial statements and supplementary information that we shall fail to detect as a result of false or misleading representations that are made to us by your management.

In addition, because our failure to detect material misstatements could cause others relying upon our audit report to incur damages, you further agree to indemnify and hold us harmless from any liability and all costs (including legal fees) that we may incur in connection with claims based upon our failure to detect material misstatements in the your financial statements and supplementary information resulting from false or misleading representations made to us by any member of your management.

Use of Nonlicensed Personnel

Certain engagement personnel who are not licensed as certified public accountants may provide services during this engagement.
