SECTION 7: DISBURSEMENT GENERALLY

7.1 **Disbursement.** Agency will disburse the Grant Funds to Grantee in two installments:

7.2.1 Agency has received sufficient funding, appropriations, expenditure limitation, allotments or

SECTION 8: REPRESENTATIONS AND WARRANTIES

- 8.1 **Organization/Authority.** Grantee represents and warrants to Agency that:
- 8.1.1 Grantee is a local government duly organized and validly existing;
 - 8.1.2 Grantee has all necessary rights, powers and authority under any organizational documents and under Oregon Law to (i) execute this Grant, (ii) incur and perform its obligations under this Grant, and (iii) receive financing, including the Grant Funds, for the Project;
 - 8.1.3 This Grant has been duly executed by Grantee and when executed by Agency, constitutes a legal, valid and binding obligation of Grantee enforceable in accordance with its terms;
 - 8.1.4 If applicable and necessary, the execution and delivery of this Grant by Grantee has been authorized by an ordinance, order or resolution of its governing body, or voter approval, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings; and
 - 8.1.5 There is no proceeding pending or threatened against Grantee before any court or governmental authority that if adversely determined would materially adversely affect the Project or the ability of Grantee to carry out the Project.
- 8.2 **False Claims Act.** Grantee acknowledges the Oregon False Claims Act, ORS 180.750 to 180.785, applies to any “claim” (as defined by ORS 180.750) made by (or caused by) Grantee that pertains to this Grant or to the Project. Grantee certifies that no claim described in the previous sentence is or will be a “false claim” (as defined by ORS 180.750) or an act prohibited by ORS 180.755. Grantee further acknowledges in addition to the remedies under Section 14, if it makes (or causes to be made) a false claim or performs (or causes to be performed) an act prohibited under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against the Grantee.
- 8.3 **No limitation.** The representations and warranties set forth in this Section are in addition to, and not in lieu of, any other representations or warranties provided by Grantee.

SECTION 9: INDEMNITY/LIABILITY

- 9.1 Indemnity.** Subject to the limitations of Article XI, § 10, of the Oregon Constitution and the Oregon Tort Claims Act (ORS 30.260 through 30.300), Grantee must defend, save, hold harmless, and indemnify the State of Oregon and Agency and their officers, employees and agents from and against all claims, suits, actions, losses, damages, liabilities, costs, and expenses of any nature whatsoever, including attorneys’ fees, resulting from, arising out of, or relating to the activities of Grantee or its officers, employees, subgrantees, contractors, subcontractors, or agents under this Grant (each of the foregoing individually or collectively a “Claim” for purposes of this Section).
- 9.2 Defense.** Grantee may have control of the defense and settlement of any Claim subject to this Section. But neither Grantee nor any attorney engaged by Grantee may defend the Claim in the name of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without first receiving from the Attorney General, in a form and manner determined appropriate by the Attorney General, authority to act as legal counsel for the State of Oregon. Nor may Grantee settle any Claim on behalf of the State of Oregon without the approval of the Attorney General. The State of Oregon may, at its election and expense, assume its own defense and settlement in the event the State of Oregon determines Grantee is prohibited from defending the State of Oregon, or is not adequately defending the State of Oregon’s interests, or an important governmental principle is at issue and the State of Oregon desires to assume its own defense. Grantee may not use any Grant Funds to reimburse itself for the defense of or settlement of any Claim.
- 9.3 Limitation.** Except as provided in this Section, neither Party will be liable for incidental, consequential, or other direct damages arising out of or related to this Grant, regardless of whether the damages or other liability is based in contract, tort (including negligence), strict liability, product liability or otherwise. Neither Party will be liable for any damages of any sort arising solely from the termination of this Grant in accordance with its terms.

SECTION 10: INSURANCE

As a “public body” as defined in ORS 30.260, Grantee agrees to insure any obligations that may arise for Grantee under this Grant, including any indemnity obligations, through (i) the purchase of insurance as indicated in Exhibit B; or (ii) the use of self-insurance or assessments paid under ORS 30.282 that is substantially similar to the types and amounts of insurance coverage indicated on Exhibit B; or (iii) a combination of any or all of the foregoing.

SECTION 11: GOVERNING LAW, JURISDICTION

This Grant is governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively “Claim”) between Agency or any other agency or department of the State of Oregon, or both, and

Grantee that arises from or relates to this Grant must be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event may this Section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, to or from any Claim or from the jurisdiction of any court. GRANTEE, BY EXECUTION OF THIS GRANT, HEREBY CONSENTS TO THE PERSONAL JURISDICTION OF SUCH COURTS.

SECTION 12: ALTERNATIVE DISPUTE RESOLUTION

The Parties should attempt in good faith to resolve any dispute arising out of this Grant. This may be done at any management level, including at a level higher than persons directly responsible for administration of the Grant. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each Party will bear its own costs incurred for any mediation or non-binding arbitration.

SECTION 13: DEFAULT

- 13.1 Grantee.** Grantee will be in default under this Grant upon the occurrence of any of the following events:
- 13.1.1** Grantee fails to use the Grant Funds for the intended purpose described in Exhibit A or otherwise fails to perform, observe or discharge any of its covenants, agreements or obligations under this Grant;
 - 13.1.2** Any representation, warranty or statement made by Grantee in this Grant or in any documents or reports relied upon by Agency to measure the Project, the expenditure of Grant Funds or the performance by Grantee is untrue in any material respect when made; or

- 13.2 Agency.** Agency will be in default under this Grant if, after 15 days written notice specifying the nature of the default, Agency fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Grant; provided, however, Agency will not be in default if Agency fails to disburse Grant Funds because there is insufficient expenditure authority for, or moneys available from, the Funding Source.

SECTION 14: REMEDIES

- 14.1 Agency Remedies.** In the event Grantee is in default under Section 13.1, Agency may, at its option, pursue any or all of the remedies available to it under this Grant and at law or in equity, including, but not limited to: (i) termination of this Grant under Section 16.2, (ii) reducing or withholding payment for Project activities or materials that are deficient or Grantee has failed to complete by any scheduled deadlines, (iii) requiring Grantee to complete, at Grantee's expense, additional activities necessary to satisfy its obligations or meet performance standards under this Grant, (iv) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief, (v) exercise of its right of recovery of overpayments under Section 15 of this Grant or setoff, or both, or (vi) declaring Grantee ineligible for the receipt of future awards from Agency. These remedies are cumulative to the extent the remedies are not inconsistent, and Agency may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever.
- 14.2 Grantee Remedies.** In the event Agency is in default under Section 13.2 and whether or not Grantee elects to terminate this Grant, Grantee's sole monetary remedy will be, within any limits set forth in this Grant, reimbursement of Project activities completed and accepted by Agency and authorized expenses incurred, less any claims Agency has against Grantee. In no event will Agency be liable to Grantee for any expenses related to termination of this Grant or for anticipated profits.

SECTION 15: WITHHOLDING FUNDS, RECOVERY

Agency may withhold from disbursements of Grant Funds due to Grantee, or Grantee must return to Agency within 30 days of Agency's written demand:

- 15.1** Any Grant Funds paid to Grantee under this Grant, or payments made under any other agreement between Agency and Grantee, that exceed the amount to which Grantee is entitled;
- 15.2** Any Grant Funds received by Grantee that remain unexpended or contractually committed for payment of the Project at the end of the Performance Period;
- 15.3** Any Grant Funds determined by Agency or the U.S. Department of the Treasury to be spent for purposes other than allowable Project activities; or

- 16.2.1** At Agency's discretion, upon 30 days advance written notice to Grantee;

reasonable administrative discretion, to perform its obligations under this Grant;

16.2.3 Immediately upon written notice to Grantee, if federal or state laws, rules, regulations or guidelines are modified or interpreted by a court in such a way that Agency's performance under this Grant is prohibited or Agency is prohibited from funding the Grant from the Funding Source; or

16.2.4 Immediately upon written notice to Grantee, if Grantee is in default under this Grant and such default remains uncured 15 days after written notice thereof to Grantee.

16.3 **By Grantee.** Grantee may terminate this Grant as follows:

16.3.1 Immediately upon written notice to Agency, if Grantee fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to perform its obligations under this Grant.

16.3.2 Immediately upon written notice to Agency, if applicable laws, rules, regulations or guidelines are modified or interpreted by a court in such a way that the Project activities contemplated under this Grant are prohibited by law or Grantee is prohibited from paying for the Project from the Grant Funds or other planned Project funding; or

16.3.3 Immediately upon written notice to Agency, if Agency is in default under this Grant and such default remains uncured 15 days after written notice thereof to Agency.

SECTION 17: MISCELLANEOUS

17.1 **Conflict of Interest.** Grantee by signature to this Grant declares and certifies the award of this Grant and the Project activities to be funded by this Grant, create no potential or actual conflict of interest, as defined by ORS Chapter 244, for a director, officer or employee of Grantee.

17.2 **Nonappropriation.** Agency's obligation to pay any amounts and otherwise perform its duties under this Grant is conditioned upon Agency receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to meet its obligations under this Grant. Nothing in this Grant may be construed as permitting any violation of Article XI, Section 7, of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of Agency.

17.3 **Amendments.** The terms of this Grant may not be altered, modified, supplemented or otherwise amended, except by written agreement of the Parties.

- 17.5 Survival.** All rights and obligations of the Parties under this Grant will cease upon termination of this Grant, other than the rights and obligations arising under Sections 9, 11, 12, 14, 15 and subsections 17.5 and 17.13 hereof and those rights and obligations that by their express terms survive termination of this Grant; provided, however, termination of this Grant will not prejudice any rights or obligations accrued to the Parties under this Grant prior to termination.
- 17.6 Severability.** The Parties agree if any term or provision of this Grant is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Grant did not contain the particular term or provision held to be invalid.

Nothing in this Grant provides, is intended to provide, or may be construed to provide any direct or indirect benefit or right to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of this Grant.
- 17.10 Assignment and Successors.** Grantee may not assign or transfer its interest in this Grant without the prior written consent of Agency and any attempt by Grantee to assign or transfer its interest in this Grant without such consent will be void and of no force or effect. Agency's consent to Grantee's assignment or transfer of its interest in this Grant will not relieve Grantee of any of its duties or obligations under this Grant. The provisions of this Grant will be binding upon and inure to the benefit of the Parties hereto, and their respective successors and permitted assigns.
- 17.11 Contracts and Subgrants.** Grantee may enter into contracts or subgrants for any of the Project activities required of Grantee under this Grant, however Grantee is required to communicate subgrantee information to Agency in such a manner and timing as prescribed by Agency that Agency considers necessary to fulfill its federal reporting obligations.

EXHIBIT E

EQUITY PLAN SUBMISSION GUIDANCE

May 2021

Purpose

- Provide process through which jurisdictions may move to Lower Risk once 65% of their population age 16 years or older have received a first COVID-19 vaccine dose while also demonstrating their commitment to continuing to eliminate racial and ethnic vaccine inequities.

Background

- OHA has the following goals:
 - Reach parity in vaccination rates by closing gaps in race and ethnicity vaccination rates by August 31, 2021.
 - Ensure vaccine access to all populations with a focus on populations experiencing racial and ethnic vaccine inequities.
 - Encourage and facilitate local public health partnerships with community-based organizations (CBOs) and employers in their jurisdiction.
- OHA has an expectation that jurisdictions are using multiple channels for providing meaningful, culturally-responsive, low-barrier vaccine access. While mass vaccination sites are a key strategy for vaccine access, these sites likely do not meet the needs for many populations that have borne the greatest burden of COVID-19 disease and death. In addition, due to decreased vaccine demand, many of these sites are starting to ramp down.
- OHA expects the LPHA and its partners have been and will continue to actively collaborate with community-based organizations, employers and others to proactively reach all eligible populations who have not yet been vaccinated, especially those experiencing racial and ethnic vaccine inequities. These collaborations are essential to ensuring groups such as migrant and seasonal farm workers, Black, Indigenous, Tribal, other communities of color, houseless populations and others have low-barrier, culturally responsive, meaningful access to vaccine.

Moving to Lower Risk

- The earliest a county may move to Lower Risk is May 21, 2021.
- To move to Lower risk, at least 65% of all people age 16 years or older in the jurisdiction must have received a first dose.
- In addition, an LPHA must do the following to move to Lower Risk:
 - Submit to OHA responses to questions related to LPHA's ongoing and future efforts to maximize meaningful, low-barrier access to vaccine for all eligible populations, especially those experiencing racial and ethnic vaccine inequities.
 - Submit an attestation statement form signed by the Local Public Health Administrator, Local Public Health Officer and the Chair of the LPHA Governing Body (this is the Board of Commissioners in all counties except Gilliam, Sherman, Wasco and Wallowa).

Required Questions

- LPHA must respond to each of the following questions. Please restate the question and provide a subsequent response specific to each question.
 - Please review race/ethnicity data for the LPHA jurisdiction on the [OHA website](#) and the race/ethnicity vaccination rate data shared weekly with the LPHA. Based on the experience of the LPHA and its partners, including community-based organizations, what are the operational, policy, and systemic barriers or strengths demonstrated in these data?
 - What steps have the LPHA and its partners already taken to address specific racial and ethnic vaccination inequities in the community?
 - What steps do the LPHA and its partners plan to take to continue to address these inequities in the jurisdiction?
 - What plan does the LPHA and its partners have to close the specific vaccine equity gaps among specific racial and ethnic populations?
 - OHA has provided LPHAs county level survey data from OHA-funded CBOs indicating their preferred involvement in vaccination efforts. In reviewing the CBO survey results that outline the interest of CBOs in your community to host, support, and/or promote vaccine events in your jurisdiction:
 - What steps are the LPHA and its partners taking to engage and actively partner with these and other organizations to increase meaningful, culturally-responsive, low-barrier access to vaccines?
 - How will the LPHA and its partners ensure that CBOs and

navigators are aware of vaccine events so they can assist with registration and outreach as able?

- The agricultural employer survey results were shared with the LPHA and the LPHA has provided information to its Regional Emergency Coordinator (REC) about how the LPHA and its partners plan to use the survey results. OHA will be reviewing the information provided by the LPHA to the REC. Does the LPHA have any additional updates regarding work to serve agricultural workers in its jurisdiction since the LPHA last provided information to the REC?
- What steps have the LPHA and its partners taken to actively address vaccine confidence in the community?
- What plans do the LPHA and its partners have continue addressing vaccine confidence?
- What is the communications plan to dispel misinformation through a comprehensive, multi-modal communications strategy for communities experiencing racial and ethnic vaccine inequities in your jurisdiction? Examples could include: Spanish language radio spots, physically distanced outdoor information fair, training local faith leaders and equipping them with vaccine facts and information to refer a community member to a health care professional for follow up, etc.
- How has and how will the LPHA and its partners ensure language accessibility at vaccine events?
- What plans do the LPHA and its partners have to decrease transportation barriers to accessing vaccine?
- What plans do the LPHA and its partners have to ensure meaningful, low-barrier vaccine access for youth, especially those from Black, Indigenous, Tribal and other communities experiencing inequities in COVID-19 disease, death and vaccination?
- How will the LPHA and its partners regularly report on progress to and engage with community leaders from the Black, Indigenous, Tribal, other communities of color to regularly review progress on its vaccine equity plans and reassess strategies as needed?

Required Attestation Statement

- Please copy/paste the statement in italics onto letterhead. The LPH administrator, LPH Officer and Chair of LPHA governing body are all required to sign (electronic signature accepted):

We have each reviewed the attached responses to all questions and affirm that the LPHA jurisdiction will continue to make meaningful efforts to offer culturally-responsive, low-barrier vaccination opportunities, especially for populations in our jurisdiction experiencing racial or ethnic vaccine inequities. We commit to implementing this plan to close the racial and ethnic vaccine inequities in our jurisdiction.

The LPHA and its partners will continue to ensure that vaccine sites are culturally-responsive, linguistically appropriate and accessible to people with physical, intellectual and developmental disabilities and other unique vaccine access needs.

Timeline and Review Process

- Complete documentation (as outlined above) must be submitted by Close of Business on the Friday prior to the Friday on which the jurisdiction would move to Lower Risk. Announcement of jurisdictions moving to Lower Risk will be made on Tuesday prior to the Friday when movement will occur.
 - For example, to move to Lower Risk on Friday, May 21, LPHAs should submit complete documentation to OHA by 4:00 p.m. on Friday, May 14.
 - Jurisdictions moving to Lower Risk on Friday, May 21 will be announced on Tuesday, May 18.
- LPHAs submit the following to paul.shively@dhsosha.state.or.us by 4:00 p.m. on Friday a week prior to the Friday the jurisdiction seeks to move to Lower Risk:
 - Attestation Statement
 - Document that address each question outlined above by restating the question and providing response to each question individually.
 - Please note that late or incomplete submissions may result in delayed movement to Lower Risk due to additional review time required.
- Once OHA has reviewed and accepted the submission, the documentation and attestation statement will be posted on OHA's website.
