(2) The planning director of the county files a written report with the county governing body in which the planning director, upon review, finds that an interior lot line vacation affecting private property complies with applicable land use regulations and facilitates development of the property subject to interior lot line vacation.

The applicant states that the purpose of vacating the above lots in Mountain Lakes Subdivision, Section 17D0 Township 36 South, Range 06 East Willamette Meridian (see attached map) is to create developable properties. The two subdivision lots currently comprise of two tax lots. The lots are close to 2 acres in size within the Rural Residential (R2) Zone. Once the individual lots are vacated, they will become two units of land.

I find that vacating the above reference private property complies with all applicable land use regulations and is not detrimental to the public interest. No negative comments were received from agency review.
