Good Morning!

I hope this email finds you in good health. I am reaching out because as you may know we had some shifts in leadership at Sky Lakes (which is who we are under). Since this shift in leadership we are no longer able to be the formal owners of the art that will be going in the center of the roundabout. We are still committed to maintaining it, but leadership is not willing to be on the deed. Would the county be willing to be the formal owner of the art if we had an MOU with Healthy Klamath (SLMC) that stated we would be responsible for the maintenance?

Thanks!

Kelsey
