Re: Department Request – DDA – **Change of language from original request on 3/10/23**

Date Scheduled for Administrative Meeting: March 14, 2023

On behalf of acting District Attorney John Casalino, we are seeking your approval to reclassify deputy District Attorneys effective March 1, 2023.

Based off of comparable county rates, the following is being proposed: DDAI would move from UH31 to UH32. DDAll would move from UH34 to UH35. DDAIII would move from UH35 to UH36.

We propose to keep these positions on the hourly scale at this time as an agreement was made with current staff that they would remain hourly until **more attorneys are hired**. Once this has been realized, the transition would be made back to salaried positions.

The department has funds available for these increases through vacant positions.

Suggested Motion: Hereby motion to approve the request to reclassify the DDAI, DDAll, and DDAIII positions as outlined above:
