Dear Oregon Voters,

Welcome to the 2014 Primary Election Voters’ Pamphlet. Enclosed you will find valuable information about candidates and issues. If you are not yet registered to vote, you have until April 29, 2014, to do so. Here in Oregon we have made it easy for eligible Oregonians to register, update your registration and track your ballot. Simply visit www.oregonvotes.gov.

As your Secretary of State, my goal is to encourage all eligible Oregonians to exercise their most fundamental right to vote. If you’re questioning whether your one vote really makes a difference, then consider this: I won my first race for the state House by just seven votes. Every vote counts! Your vote is your voice, and every voice matters!

As Oregon’s top elections official, sometimes I have to tell hard truths. And the truth is that four years ago in the last gubernatorial primary election total voter participation was only 41.62%. In other words, less than half of registered voters actually cast a vote during the 2010 primary. We can do better than that!

Indeed, in 2010, there were some bright spots. Lake County had a voter participation rate of 63.90% - more than 20 percentage points higher than the statewide average! Close on Lake County’s heels were Harney County at 62.29% and Gilliam County at 60.05%. I know every person in Oregon cares about their right to vote just as much as the people in Lake, Harney, and Gilliam Counties – but we all need to show how much we care by actually casting a ballot.

Every county in Oregon should strive to have the highest voter participation rate – and it’s up to each and every voter to do their part by voting. So in this 2014 primary, I encourage you to look to the people of Lake, Harney, and Gilliam Counties as models. Vote! Be heard! And help your county earn the honor of having the highest voter participation rate in Oregon!

And please remember that all ballots must be received by your county elections office by 8pm on May 20, 2014. Postmarks do not count. If you have questions please call our toll free hotline at 1-866-ORE-VOTE, or visit our website at www.oregonvotes.gov.

Sincerely,

Kate Brown
Oregon Secretary of State

Voters’ Pamphlet Information

Voters’ Pamphlet

Your official 2014 Primary Election Voters’ Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters’ pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters’ pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State’s office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.gov.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2014, Republican candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters’ pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2014 Primary Election is:

If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 20, 2014.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States Senator

Monica Wehby
Republican

Occupation: Director of Pediatric Neurosurgery, Emanuel-Randall Children’s Hospital

Occupational Background: President, Oregon Medical Association; Trustee, American Medical Association; President, Oregon Medical Association; Trustee, American Association Neurological Surgeons

Educational Background: University of Notre Dame, Baylor College of Medicine, UCLA Neurosurgery Residency, University of Utah Pediatric Neurosurgery Fellowship

Prior Governmental Experience: VA Hospital, Neurosurgical Resident; Chief Petitioner, Citizen Ballot Initiative for TORT Reform

Community Service: Trustee, Ronald McDonald House Charities; Volunteer Surgeon, Haiti Earthquake Humanitarian Crisis

Keep Your Doctor – Change Your Senator
I’m a neurosurgeon and the mother of four teenagers. I’ve spent my life problem-solving. I can’t just stand by and watch as Oregon families, seniors, and veterans struggle. Politicians are trained to argue; doctors are trained to evaluate data and fix things. It’s time to fix DC.

Opportunity for Oregonians
We need a federal government that will partner with small businesses to grow our economy, not a government that dictates, mandates, and over-regulates every aspect of our lives. With less national debt and a focus on job growth, we can help Oregon families thrive.

Healthcare Reform
In 2009, I appeared in nationwide television commercials warning Americans about the flaws in Obamacare. I knew this massive bill was going to mean more red-tape and higher premiums, while damaging the doctor-patient relationship. Oregonians deserve patient-centered, market-based solutions for healthcare. Having 30 years of medical policy experience, I can deliver on that promise.

Excellence in Education
I will work to bring our federal education dollars back to Oregon, increase school choice options for our families, and decrease frivolous mandates. I will take on Common Core, protect our children’s privacy, and promote block-grants that empower our teachers and local communities.

Oregon Farmers Endorse Dr. Wehby
“Dr. Wehby is not a career politician; she actually listens to the concerns of Oregonians. She’s a problem-solver. That is exactly what Oregon farmers and their families need in DC right now.”

- Barry Bushue, President, Oregon Farm Bureau

Jo Rae Perkins
Republican

Occupation: None

Occupational Background: CERTIFIED FINANCIAL PLANNER(R), Budgeting, Realtor

Educational Background: BS 2013 Oregon State University Political Science; Executive Certificate 2005 University of Portland, Financial Planning; AS 1979 Linn Benton CC Business Management

Prior Governmental Experience: Precinct Committee Person

Multitudes of issues face the United States, none as important as the financial health of America. 01/30/14, U.S. Government debt exceeded $17.3 trillion. This is unsustain-able. This must change. Congress refuses to be realistic or honest with you, and continue to increase the debt limit. Your hard-earned tax dollars do not belong to the government. It is your money!

It is time we elect a new senator with an allegiance to the voters, not special interests and lobbyists.

As a former financial advisor and Oregon’s next US Senator, Jo Rae Perkins will carry with her the same ethical standards of the prudent man law and fiduciary responsibility treating your tax dollars with care, acting in your best interest, using caution in all fiscal decisions. It is time Congress acts to Cut Spending, Cap the Debt, Balance the Budget.

Jo Rae Perkins on issues:
We need a strong military and support for our veterans
Life begins at conception. She is pro-life/adoption

For additional information about Jo Rae Perkins’ views, visit www.OregonsNextSenator.com.

As Oregon’s next US Senator I promise along with my staff, every bill will be read prior voting.
Before considering how to vote, every bill must be:
Congruent with the US Constitution
Free of pork barrel spending/unrelated projects
Fiscally and socially conservative

I’m All In!
In 2012, I allowed my professional investment licenses to lapse because I knew I would be running for the U.S. Senate. I am the only US Senate Candidate 100% committed. I walked away from my career. I pledge my fortune, sacred honor and life to make a positive difference for every United States Citizen.
Humly I ask for your vote.

Leadership, Integrity, Character, Honor & Trust

End Government Infringement:

We must stop our government from violating our constitutional protections. From the NSA spying us, to them attacking our 2nd Amendment rights, to the IRS targeting, to political correctness destroying our religious freedom. Our nation’s sovereignty is under attack with the implementation of Agenda 21 and Common Core. As your constitutionally conservative Senator, I will stand strong, with Senator Ted Cruz for the rights of all Americans.

Economy:

As your Senator, who believes in the free market, I will work to make America’s economy strong again, beginning with the Full Repeal of ObamaCare a.k.a “MerkleyCare”.

Balance Budget; Reduce Spending:

As your fiscally conservative Senator, and a believer in limited government, I will reduce wasteful spending and push for a balanced budget amendment.

Fellow Americans:

We’re at a crossroads affecting the very freedom our constitutional republic was founded upon. Supporting moderate candidates, that don’t win general elections, is not an option. We need to elect a true conservative candidate that will fight for American values. We will win this election, by distancing ourselves from career politicians who are only looking to advance their own careers. We will win with a Pro-Life candidate that embraces our conservative values. A candidate not afraid to hold the President accountable for lying to us, without hesitating to convict him, if the House impeaches him. A candidate that isn’t afraid to take on the establishment, to promote freedom from government intrusion, dependency, & poverty. My fellow Americans, I Am That Candidate. Thank you and May God Bless America.

United States Senator

Timothy I Crawley
Republican

Occupation: Attorney

Educational Background: Nichols & Associates

Prior Governmental Experience: U.S. District Court, District of Oregon; Supreme Court of California; Federal Reserve Bank.

I was born and raised in Cottage Grove where my parents still reside. I consider it a personal obligation to help Oregon maintain its natural beauty and a healthy ecology while continuing to enjoy the benefits of a free market, untainted by monopolistic power. I have travelled to nearly thirty countries and explored a multitude of foreign cultures and environments, but Oregon has always remained my home. That is why, after completing my legal education in California and beginning my professional career there, I have returned to Oregon.

My family always encouraged me to serve others. I have advocated for civil rights in the Middle East; crewed an Alaskan fishing boat; educated the public for the Federal Reserve Bank; and represented tech entrepreneurs at a law firm in Silicon Valley. Since my return to Oregon, I have been a volunteer in environmental restoration efforts and pro bono legal services in Portland, tenured with an Oregon U.S. District Court judge, and currently work with a personal injury, civil rights, and small business Portland law firm. My credentials for U.S. Senate include skills in negotiation and mediation for which I have been honored internationally in the U.S., Germany, and Canada. I am a member of the Oregon and California State Bars.

As a U.S. Senator, I would help restore self-determination to our local communities by ending intransigent party warfare and righting our capsized political system. The ideals of a democratic financial system must be revived in practice. We must return to a saner foreign policy, halting an intolerable drain of American blood and treasure abroad while adopting more effective strategies for peace. Perhaps most important, we must secure our sacred individual rights to life, liberty, and the pursuit of happiness – free of unwarranted government interference.

Jason Conger
Republican

Occupation: Attorney, State Representative
Occupational Background: Small business owner, teacher, Congressional Aide, carpenter
Educational Background: A.A., College of the Redwoods; B.A., Humboldt State University; J.D., Harvard Law School

Prior Governmental Experience: Oregon State Representative: Co-Vice Chair, House Education Committee; Business and Labor Committee; General Government and Consumer Protection Committee; Health Care Committee; Law Clerk, US Department of Justice

JASON CONGER FOR U.S. SENATE
REAL CONSERVATIVE.

Jason Conger and his wife, Amy, have been married for 25 years and have five children. Jason lives and practices law in Bend and is proud to represent his community in the Oregon Legislature.

Jason faced poverty most of his life. He knows how it feels to be hungry, to live in a single-wide trailer without heat in the winter, and even to be homeless.

But Jason’s story doesn’t end there. After striking out on his own at 16, working his way through community college and Humboldt State University, Jason was accepted into Harvard Law School.

In 2010, Jason defeated an incumbent Democrat for a seat in the Oregon House of Representatives. Two years later, Jason won re-election by an overwhelming margin. His central Oregon district is a microcosm of the state, and Jason has proven he can win tough elections against the odds.

Jason has championed conservative issues like tax cuts, traditional marriage, life, 2nd amendment, and a balanced budget.

Jason Conger knows the struggles of Oregon’s working and middle-class families. He understands what it takes to get out of poverty, and he can connect with voters Republicans have struggled to win in recent elections.

Homeless to Harvard is just part of the Jason Conger story. Help Jason defeat Jeff Merkley and he will fight for conservative principles in DC.

We have 17,500,000,000,000 Reasons to Change our Representative

“Our government was constitutionally designed to protect our freedoms; our unalienable, God-given rights to life, liberty, and our private pursuits. The political tragedy is that the federal government is now an unconstitutional power-monger, wealth consumer and re-distributor, growing and spending more every year.”

“I will challenge the regulatory over-reach of unelected bureaucracies. The EPA, USDA, DOE, NSA, USFS, USFWS, which undermine our private property rights, rural lifestyles, right to privacy, and ability to earn a living from our abundant natural resources and entrepreneurial endeavors.”

“Career politicians jeopardize our futures with the relentless onslaught of federal spending. My opponent voted for trillion-dollar budget deals, increased food stamp and green energy boondoggles while cutting Veterans’ benefits and raising the debt ceiling.”

District 2 and America needs a Representative who will bind the Federal government using the chains of the Constitution.

Governor

Gordon Challstrom
Republican

Occupation: Retired

Occupational Background: Commercial Contractor

Educational Background: University Nevada-Reno; Bachelor Degree in Business Administration, minors in economics and international management

Prior Governmental Experience: None

Gordon Challstrom has the equivalent of a Ph.D. in the school of hard knocks. As a youngster, Gordon worked in the fields of the Willamette Valley and delivered newspapers to help his single mom make ends meet. After high school, Gordon became the youngest grocery manager in Albertson’s history before achieving a four-year university degree in only two years.

Returning to Oregon, Gordon built a multi-million dollar commercial concrete business from the ground up, creating dozens of family wage jobs throughout Oregon.

When the recession hit Oregon hard, Gordon became increasingly alarmed by the direction a nonstop stream of liberal governors had taken Oregon. As governor, Gordon’s focus will be on getting Oregon’s economy back on its feet and making Oregon a state that is friendly to small businesses and entrepreneurs - the real job creators.

A man of principle, Gordon Challstrom is an across-the-board, limited government conservative who believes government should protect private property rights, not undermine those rights through intrusive, overreaching land-use regulations.

As governor, Gordon will work to bring the massive amounts of federal lands in Oregon under the control of Oregon counties - for the benefit of all Oregonians.

Gordon will oppose tax increases. He believes Oregon’s high income tax rates are depressing job creation and sending a clear message to new and expanding businesses to locate elsewhere.

Gordon believes schools should be about kids and the basics of education rather than a race to spend never-ending sums of money catering to the demands of teachers unions.

As a strong supporter of the Second Amendment, Gordon will defend life, liberty, property, and the traditional definition of marriage. Oregon needs Gordon’s wisdom and leadership. Please vote Gordon Challstrom for governor.

Elect a lawyer, get more laws. Elect a businessman, get more jobs!

Governor

**Tim Carr**
Republican

**Occupation:** Gubernatorial Candidate

**Occupational Background:** CEO + President of CoSource USA 2004 - 2013; Vice President of Sales and Marketing at DePaul Industries 1995 - 2004

**Educational Background:** Attended University of Portland. Graduated Portland State University, BS Political Science. Jesuit High School

**Prior Governmental Experience:** None

My name is Tim Carr, and I’m from Portland but for Oregon. I am committed to making Oregon an even greater place to live by playing an active role in making my community a safer, better place to raise my children, find employment, and forge a future filled with promise.

As a lifelong Oregonian, a businessman, and an entrepreneur, I have seen firsthand what 25 years of democratic leadership has done for our great state. We have lower job opportunities that ever before and our quality of life has decreased.

Running the state of Oregon is like running a business; which is why we need to elect leaders who recognize that we are all on the same team. We’re Oregonians, and we all want what is best for Oregon.

**As Governor, Tim Carr will focus on:**

**Economic Prosperity:** Attract (aka STEAL BUSINESSES) from other states by creating a “business friendly” environment through Taxation Reform and Sensible Regulation Reform.

**Education Strength:** Prioritize budgets to ensure fiscal sustainability for public schools (K-12) and focused initiatives to promote Oregon’s world-class higher education facilities.

**Government Spending:** Develop a path to eliminate wasteful programs that take money away from Education, Public Safety, & Economic Development.

**PERS Reform:** Stop the debilitating effect of state and local government being strapped and strangled by PERS requirements.

**Environmental Stewardship:** Work to find a long-term resolution to the O+C Land issue and provide sensible solutions for our environment without sacrificing jobs.

Please vote for me, Tim Carr...as a Republican whose agenda is to make Oregon better for everyone. We may not always agree, but we can always find some common ground.

Governor

**Dennis Richardson**
Republican

**Occupation:** Businessman, State Representative

**Occupational Background:** Army Combat Helicopter Pilot. Decades of experience as a small business owner and small town attorney.

**Educational Background:** BYU, J. Reuben Clark Law School

**Prior Governmental Experience:** City Councillor, School District Budget Committee, Oregon House of Representatives.

**Community Service:** Boy Scout and church youth leader, volunteer soccer coach, veteran.

**Vision & Leadership**

Oregon has operated without a vision for the future for far too long. A Richardson Administration will rise to the challenge of preparing our state for the future, protecting our seniors, educating our children and empowering small businesses to grow, prosper and create jobs.

**Creating Jobs, Promoting Oregon**

I’ve organized and directed 10 international legislative trade delegations to promote Oregon business, education and tourism. As Governor, I will open new markets for Oregon products and services that create jobs and return prosperity to Oregon.

**It’s Your Money – Demand Value.**

I’ve earned a reputation for demanding absolute accountability and fiscal discipline from government. I’ll put an end to cronyism, demand accountability and lead a government that will be more focused on protecting your job than mine.

**Balancing Priorities**

We can protect our environment and our jobs. My policy will be simple – I’ll get government out of the way of good corporate citizens that follow the rules and create good jobs but I will have a zero tolerance policy for those that put self-interest ahead of responsibility.

**Innovation**

Innovations in energy, communications, transportation and manufacturing are providing full-time, living wage jobs for a new workforce. These technologies must be supported with world-class education, trained skilled labor and a predictable regulatory environment that fosters investment in Oregon.

“It’s time for a Governor who will listen to the people, take responsibility to hold state agencies accountable, and make sure that every penny is spent with purpose. It’s time to get Oregon back on track.”

Dennis lives in Central Point with his wife Cathy of 40 years. They have nine children.

Governor

Mae Rafferty
Republican

**Occupation:** 22 years Co. Business Owner Hardwood Lumber and Hardware sales

**Occupational Background:** Idaho Statesman delivery, Ferry Morse seed company, Orchard and Factory worker, Cleaning and Woodworking Business owner.

**Educational Background:** Caldwell Senior High, Northwest Nazarene College Nampa Idaho, McGraw Hill Bookkeeping and Accounting Diploma.

**Prior Governmental Experience:** Elected Republican Precinct person.

**Warning:** Be certain your candidates are against communist business infiltration.

In performing my duties as Governor I shall...

**Error** on the side of Freedom if such an error exists.

**Protect** the Life Liberty and Pursuit of Happiness for all Oregonians born and unborn. Organize the state Militia.

**Resist** The infiltration of Chinese business into Oregon. An opponent wrote a letter stating he wants to bring Chinese businesses to Oregon and signed it sincerely Dennis Richardson. Chinese businesses are either partly or entirely owned by the communist Chinese Government. Such subversive activities are un-American.

**Direct** Oregon towards a means to swiftly and abundantly reduce regulation, protect private property rights and the rights of the people to use public lands. Allow industry and agriculture to flourish. Instigate a state self sufficiency plan.

State Senator, 3rd District

Dave Dotterrer
Republican

**Occupation:** Strategic Budget Analyst, Oregon State Legislature

**Occupational Background:** Colonel, United States Marine Corps (1973-2001)

**Educational Background:** B.S. Business Administration, Oregon State University; M.A. U.S. Army Command and General Staff College; M.A. National Security and Strategic Studies, Naval War College

**Prior Governmental Experience:** Military Assistant to the Secretary of the Navy; Planning Commission, City of Ashland; Chair, Jackson County Veterans Advisory Council

**Dave Dotterrer for Oregon State Senate**

**A Proven Leader**

A retired United States Marine Corps Colonel, Dave Dotterrer knows how to lead, commanding thousands of Marines and managing multi-million dollar budgets. As your State Senator, Dave will make government more transparent and restore government accountability by focusing on:

**Creating Jobs**

While unemployment improves in other parts of Oregon, lack of jobs remains Jackson County’s number one challenge. We must create sensible policies to retain existing businesses and attract new business opportunities, by reducing excessive regulations and creating a business-friendly environment.

**Improving Education**

When our economy takes a hit, Oregon’s schools should not be the first to suffer. Oregon should not be ranked 43rd in the nation for the quality of our education system. I will fight to make education funding a higher priority, reform PERS to put more money back in the classroom, and improve our higher education system.

**Controlling State Spending**

As your Senator, Dave will demand fiscal responsibility in Salem. Oregon has a spending problem, not a revenue problem. We cannot continue to do “business as usual” with your tax dollars in Salem. Instead we need a responsible state budget that prioritizes government services, holds the legislature accountable, and ensures that all essential services get the funding they need without raising taxes.

“As your State Senator, I will fight hard to get Oregon back on track. I have decades of proven experience to lead critical initiatives for the state of Oregon to hold government accountable, protect personal freedoms and get Oregonians back to work.” Colonel Dave Dotterrer

Precinct Committeemen and Committeewomen in the Oregon Republican Party

What is a PCP?
The 700,000 registered Oregon Republicans are the grassroots heart of the Republican Party of Oregon. Precinct Committeemen and Committeewomen are chosen from among that 700,000 to organize advocacy for Republican political principles in their Oregon neighborhoods and communities and support for Republican candidates for office.
The PCPs also control the state Republican party (ORP). They elect the office holders in their county Republican Committees, who, in turn, set policy for and elect the officials of the Oregon State Republican Party. The PCPs also select delegates to the state and national Republican conventions.

PCPs and the County officers whom they elect are the primary organizing and directing force for the thousands of additional Republican volunteers who arise from the electorate to work on behalf of Republican principles and candidates.

What are Republican Principles?
Republican principles are timeless. They have been found to be the best way for people to live together, while exercising their fundamental individual rights to life, liberty, and the pursuit of happiness. That happiness – the pursuit of the greatest enjoyment of the blessings of a human life – requires protection for life, liberty, private property, and common sense ethical principles.

These principles are found in our Bibles and in the founding documents of our Constitutional Republic. Individual Republicans express these principles in many ways and live their lives in a wide variety of manners that are enabled by American freedom.

Individual Republicans hold, with variations, most of the following views:

- The strength of our nation lies with the individual. Each person’s dignity, freedom, ability, and responsibility must be protected and honored.
- Equal rights, equal justice and equal opportunity for all Americans, regardless of race, creed, sex, age or disability must be preserved.
- Free enterprise has made America a land of opportunity, economic growth, and prosperity.
- Government must be fiscally responsible and require in taxes only that minimum of the earnings of Americans required to fulfill its Constitutional responsibilities in an efficient and effective manner.
- The traditional customs and culture of our nation must be preserved, especially those that are essential to our families, our professions, and our way of life.
- In general, everyone should do all that they agree to do, and no one should encroach on other persons or their property.

In this 2014 election campaign, Oregon Republicans will work to elect Republicans to public office throughout Oregon – local candidates, candidates to the Oregon House, Senate and Governorship, and candidates to the United States House and Senate.

We invite you to become a Republican Party PCP and to work beside us on behalf of good government in our state and nation.

For more information, please call state party headquarters (503) 595-8881; e-mail info@orgop.org; or visit our website at www.oregonrepublicanparty.org.

United States Senator

Jeff Merkley
Democrat

Occupation: U.S. Senator

Occupational Background:
Executive Director, Portland Habitat for Humanity; National Security Analyst, Pentagon and Congressional Budget Office; President, Oregon World Affairs Council

Educational Background: David Douglas High School; Stanford (B.A., International Relations); Princeton, (M.A., Public Policy)

Jeff Merkley’s Agenda For Oregon Families

• Create good paying jobs
• Make college more affordable
• Take on the special interests to reform Washington
• Protect Social Security and Medicare

Fighting For Middle-Class Families:

In a Congress that seems to be filled with champions for the special interests, Jeff Merkley consistently fights for Oregon’s middle-class families.

• Son of a millwright, Jeff knows the value of a good-paying job and has fought to create living-wage jobs in Oregon.
• First in his family to go to college, Jeff has voted to keep college loan interest rates low and has a plan to make college affordable.
• A long-time consumer advocate, Jeff has taken on the big banks and Wall Street to protect middle-class families from their predatory practices.
• A champion for our seniors, Jeff has strongly opposed attempts to privatize Social Security and Medicare.

Taking on the fights to protect Oregon values:

• Jeff has fought to protect a woman’s right to choose and to ensure women have access to affordable and safe healthcare.
• In the Senate, Jeff has led the charge for equality with workplace protections for the LGBT community and support for marriage equality.
• Jeff supports equal pay for all; one of his first acts as Senator was to vote for equal pay legislation.

“Senator Merkley has been a terrific partner fighting for Oregon’s middle-class families and working to create good-paying jobs. He has been an outstanding champion for Oregon values. I look forward to continuing our work together to make sure Oregon is a great place to live and work.”

This election is about competency, honesty, and responsibility. Incumbent Greg Walden rushed to cut taxes only to increase spending, including two unfunded wars, to increase deficits, and increase the national debt. Having “maxed out” the federal credit card he then voted to default on the debt and shut down the government. He now wants a balanced budget amendment to protect us from representatives like him!

Democratic voters must choose a candidate who 1) best understands the problems, 2) has realistic, tough-minded solutions to the problems accrued during Walden’s tenure, 3) can wage a tough, aggressive, no-nonsense campaign, and 4) will take the same attitude and work ethic into the next Congress.

The grave problems facing the nation cannot be solved by simplistic solutions or campaign slogans. We’ve suffered far too much from promises of a “free lunch.” I provide detailed analyses of many serious national problems and the solutions I will fight for on my website, www.FrankAnswers.US.

First, we must “fix” Congress by amending its procedural rules to eliminate gridlock, see that every Member’s vote counts, eliminate the “Hastert” rule, allow amendments to get fair consideration, confine each bill to a single topic, and allow any bill to be brought to the floor for a vote by 20% of members.

Second, we must make our fiscal ship seaworthy again with a new, progressive Internal Revenue Code that treats all income similarly, eliminates special interest tax breaks, and has each taxpayer with the same true net income to pay the same tax, very likely at lower rates.

When we do those two things we will be able to better solve the many other national problems we face. Questions?: frank.vulliet@bendbroadband.com.

“Aelea is the clear choice for Congress. Her strong business background and tenacity will serve the Second District well.” — Bill Bradbury, former Oregon Secretary of State

Healing Americans is not a partisan issue – it is an American Value. And I will not stop until we heal our healthcare system, heal our economy and heal Congress.

“No” will not fix our health care problems.

“No” will not create jobs.

I am running for Congress because:

We must lower healthcare costs. Americans spend more on healthcare than almost every other industrialized nation. We must continue the fight to lower costs by making sure every American is getting basic care.

Lowering healthcare costs will improve our economy. By controlling healthcare costs we make American goods and services more competitive — and create new American jobs.

Congress should solve problems, not run from them. We don’t need partisan votes against healthcare. We need better healthcare and representatives ready to fight for it.

People matter more than party labels. Partisan bickering is paralyzing Congress and the country. It is time to put the country first, replacing party politics with thoughtful consideration of our challenges and cooperative answers.

We can create more living wage jobs for Oregonians. I have operated a business for 22 years. I understand the relationship between taxes and regulations and the ability of employers to create jobs.

We grow our economy by improving our schools. My five children were educated in Oregon public schools. I have seen the challenges our schools face. New technologies and ideas give us options we have never had before. Let’s use them to provide our children the greatest chance for success. Our economy and our kids depend on it.

Please say “Yes” to Aelea for Congress on May 20.

Educational Background: attended San Jose State College geology major

Prior Governmental Experience: Mayor and Councilman, Millbrae, California

My name is Barney Spera and if elected I will be your aggressive advocate for raising the minimum wage to $15 an hour and to do it now. Eighty million women in America and their children are on the brink of poverty living a grueling minimum wage existence. Australia has a minimum wage of over $16 an hour and a unemployment rate below 6%. They do have a lower wage rate but for teenagers only. The average age of an American minimum wage worker is 35.

The Federal Reserve Bank of Chicago has assessed that every $1 rise in minimum wage creates $2800 in purchasing power. Not only would retail business benefit but there would be a greater tax base for maintaining public services. America should not have to subsidize it’s workers with food stamps and welfare checks.

Our Congressman, a leader in his party shut down the government for 16 days causing great harm and costing the taxpayers an estimated 25 billion dollars. He put party before country. Republican Governor Bobby Jindal of Louisiana calls his party the “the stupid party”. I do agree with Senator Rand Paul that we should not be involved in senseless wars that drain our resources and kill and maim our men and women, Our Congressman voted for those wars that future generations will now have to pay for,

I moved to Oregon 33 years ago to raise cattle and grow giant pumpkins. I have a history of government and community service, Now I am angry and want to make a change. I need your help. If you agree with the views I have expressed please vote for me. Together we can send a message to our Congressman. Thank you.

My Fellow Oregonians,

Four years ago Oregon was a polarized state with an uncertain future. Standing in the depths of the recession, our legislature was divided, faced with high unemployment and a budget deficit of $3.5 billion. Since then, we have accomplished a lot together:

We erased one of the largest per capita budget deficits in the nation with bipartisanship and civility, not gridlock.

We created over 60,000 jobs and now have one of the nation’s fastest-growing state economies.

We are reinvesting in our schools, adding over $1 billion in school funding this biennium, while making strides towards a seamless, outcomes-based public education system from pre-school through college and career training. We enacted pension and public safety reforms that lowered the cost of state government.

We have enrolled over 260,000 Oregonians into health coverage, lowered the rate of the uninsured by 20% and created a health care system that will keep people healthier at significantly lower costs.

And we did it the Oregon way, refusing to let partisanship get in the way of doing the right thing.

We’ve made remarkable progress. But change is fragile in its beginnings. I’m asking for your vote so we can solidify and expand our progress on education, health care and the economy and tackle the great challenges still before us:

- Ensure that Oregon’s economic recovery reaches all Oregonians by reducing the “opportunity gap” and income stagnation that is eroding the middle class.
- Accelerate our transition to a sustainable, clean economy.
- Bring stability to our public finance system to reliably reinvest in public education.

We’ve accomplished big things together. But there is more work to do. I believe we are up to the task.

Sincerely,

John Kitzhaber

Oregon is making progress, but we have a long way to go.

At long last, we are finally starting to re-invest in education. We’ve begun to hold down costs in health care through innovative and inclusive reforms, and we’ve begun to reduce the costs of our public safety system while still making sure we have what we need to keep our communities safe.

In the 2013 Legislative session, we were able to increase our funding of all levels of education, including a boost of $1 billion in resources for our K-12 schools.

But we still have more to do. We’re climbing out of the Great Recession, the pieces are in place to invest wisely, and the 2015 Legislative session will show if we have the political will to follow through.

Our most pressing need is to further our re-investment in higher education, to make sure we are providing affordable access to our community colleges and universities. In doing so, we’re taking the best step possible for jobs and the economy, and following the best possible path for the future our state.

Re-elect Chief Justice Tom Balmer to Oregon’s Supreme Court

In 2012, Tom Balmer’s colleagues on the Oregon Supreme Court showed their confidence in his judgment, leadership, and legal skills by selecting him to serve as Chief Justice. In that role, he has led the Oregon courts through a difficult budget climate by carefully managing limited resources, adopting technology innovations that work, and improving court efficiency. As Deputy Attorney General, he argued criminal, election and constitutional law cases in Oregon and Federal courts. Tom Balmer’s reputation as a thoughtful scholar and practical problem-solver is well known. His broad, well-rounded experience and integrity has earned widespread support.

Judge of the Circuit Court, 13th District, Position 1

Rodger J Isaacson
Nonpartisan

Occupation: Circuit Judge
Occupational Background: Laborer, Deputy District Attorney, District Attorney, Circuit Court Judge

Educational Background: University of Pittsburgh; McGeorge School of Law

Prior Governmental Experience: Deputy District Attorney, District Attorney, District Judge, Circuit Judge

Almost 40 years ago, I met a striking Klamath County School teacher, moved to Klamath Falls, took a position as a Deputy District Attorney, and married shortly thereafter. You elected me your district attorney in 1981. I was appointed district court judge in 1985 and was later elected to the Circuit Court.

In my years of service as district attorney and judge, I have been fortunate to work with numerous community partners to establish programs that support families and children in our community. During my tenure as district attorney, we instituted CARES, a local program that assesses children who may be victims of physical or sexual abuse. As judge, I was part of the team that brought the CASA program to Klamath County. CASA provides court advocates for children who have been victims of abuse or neglect. We’ve also implemented a juvenile drug court program, giving the court supervision over juveniles undergoing intensive substance abuse treatment. We’ve also instituted a school expulsion diversion program, which gives kids a chance to remain in school instead of being expelled, as long as they meet with a judge on a periodic basis.

I have had the honor to serve as a judge for more than 28 years. I know that every decision I make affects someone’s life. A judge must be hardworking, fair minded and must never abuse his power; he must approach his task with humility. I ask for your consideration and vote in the May 20th election.

He believes that this is an important step in overall crime prevention and will ultimately help reduce theft and violent crime.

Rob is fighting to protect our civil rights, including the rights of crime victims. He is working to make sure that victims voices are heard and has started a volunteer program to assist crime victims.

Vote by Mail Frequently Asked Questions

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 6, 2014. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn’t come?

If you are registered to vote and have not received your ballot by May 9th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at www.oregonvotes.gov.

What if I have moved and have not updated my registration?

If you were registered to vote by April 29 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated official dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to www.oregonvotes.gov or you may contact your county elections official.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 49¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated official dropsite by 8pm on election night. Postmarks do not count!

How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at www.oregonvotes.gov or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I’ve voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

Provisional Ballot Information

You will be issued a provisional ballot if:

→ there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
→ you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:
