DHS and OHA will use your SSN to help decide if you are eligible for benefits. DHS and OHA may use your SSN to match the information on your application with records provided to, or created by, other state and federal programs and agencies, such as the IRS, Medicaid, Social Security and Employment Department.

Specifically, DHS and OHA may use or disclose your SSN to: operate the program you apply for or receive benefits from; conduct quality assessment and improvement activities; verify the correct amount of payments and conduct business with providers; and recover overpaid benefits.

- You are requesting services from the Oregon developmental disability system. Participation is voluntary; you may withdraw this request at any time.
- The Department of Human Services (DHS) does not discriminate. DHS serves every applicant that qualifies for services, and DHS will not treat any applicant differently because of age, race, gender, color, national origin, religion, political beliefs, disability or sexual orientation. If you believe DHS treated you unfairly, you may file a complaint with the Governor's Advocacy Office (1-800-442-5238).
- The CDDP and DHS will protect your information and records in accordance with the privacy and security policies of DHS, ORS 179.505 and ORS 179.507. The CDDP needs your authorization to request and release records related to your disability.
- Intake is complete when you sign and submit this form to the CDDP and sign authorizations for the CDDP to obtain the records that you do not provide. The CDDP will collaborate with you to assemble a complete application for services within 90 days. The CDDP may contact you to request an extension of the decision timeline beyond 90 days, if the CDDP needs more documents to make an eligibility decision. If the CDDP needs more information to determine the existence of a developmental disability, the CDDP may ask you to attend a diagnostic evaluation, in accordance with ORS 410.060 and 427.105.
- The CDDP must receive a completed application before making an eligibility decision. A completed application includes this form, as well as documents and records necessary to make an eligibility decision. When the CDDP receives all the documents related to your disability (as described in OAR 411-320-0080(1)), the CDDP will send you a written decision notice. Intake and complete application are defined in OAR 411-320-0020.
