*Klamath County population denominator estimate: 68,190 (Portland State University Population Estimates, 2019)

** Klamath County testing data using OHA measurement prior to 11/23/20

Data is as of Monday, 11/23/20. Tests are shown based on the week they were collected. Tests from the most recent few weeks may not yet be included in this graph due to test turnaround time.
Oregon Case Summary

Total Known Cases of COVID-19 Statewide: 68,503

COVID-19 Deaths Statewide: 867

Data is as of Monday, 11/23/20 8:00AM. Data for this week is not yet shown. This graph shows the number of cases by week, based on the date a case was first identified as a case. This date is different from the date Oregon Health Authority reports the case in daily press releases. Data subject to change.
The indicators below are updated once per week. Data shown is for the week of 11/8/20-11/14/20. Green shading means Klamath County is meeting the indicator, and orange shading means Klamath County is not meeting the indicator. No shading or “N/A” indicates that the indicator does not apply due to small numbers. For more information, visit the OHA Public Health Indicators dashboard.

% ED visits for COVID-like illness is below 1.5%  
(Note: this indicator relies on statewide data rather than county data)  
0.9%

Trend in % of tests that are positive in last 7 days  
(Benchmark: should not trend up)  
Uptrend (12.2%)

% increase in new cases in last 7 days  
(Benchmark: should be no more than 5%)  
62%

% of cases not traced to a known source in last 7 days  
(Benchmark: should be below 30%)  
20%

Trend in COVID-19 hospitalizations over the last 14 days  
(Benchmark: should downtrend)  
N/A

% of cases in last 7 days with follow-up within 24 hours  
(Benchmark: should be 95% or higher)  
100%
Ready Schools, Safe Learners: Community COVID-19 Metrics

New school metrics were recently released. Jefferson County is classified as a “small county” (<30,000 residents), which means that school reopening decisions are based on a 2-week county case count and a 2-week county test percent positivity.

Data current as of Monday, 11/23/20. Data are subject to change.

Data current as of Monday, 11/23/20. Percent positivity subject to change as more test results are received. OHA has recently changed how percent positivity is measured.
