COVID-19 Community Spread

This map shows the new metrics Oregon public health officials and the CDC have developed to track COVID-19 community spread. The level of community spread is determined by case rates and test positivity in the previous week. Data is updated weekly. For more information, visit the Oregon’s COVID-19 Community Spread dashboard: [https://public.tableau.com/app/profile/oregon.health.authority.covid.19/viz/OregonCOVID-19PublicHealthIndicators/Risk](https://public.tableau.com/app/profile/oregon.health.authority.covid.19/viz/OregonCOVID-19PublicHealthIndicators/Risk)
